Dear Mayor Mays ,

I hope this message finds you well. I am reaching out to ask for your support in my candidacy for the Dallas Central Appraisal District (DCAD) Board of Directors. As a fellow mayor within Dallas County, you understand the importance of fair, transparent appraisal practices in maintaining the trust and confidence of our residents.

With thirty-six years of service to the City of Lancaster, including roles as Councilmember, Deputy Mayor Pro Tem and Mayor, I have been privileged to work towards strengthening community engagement and responsible governance across our city and region. I am committed to bringing this experience to the DCAD Board to represent the best interests of all our communities in Dallas County.

I have attached a formal letter with more details on my background and dedication to this role. I would be honored to have your support in this endeavor.
Please feel free to reach out if you would like to discuss further. Thank you very much for your consideration and I look forward to working together in service to our communities.

Warm regards,

Mayor Clyde C. Hairston
City of Lancaster
