

November 3, 2020

Jamie Brierton
Project Manager

City of Coppel

RE: *Sidewalk, Street & Alley Pavement Repairs*
 Project No.: 1021-03
 Bid No.: Q-1021-03

Ms. Brierton,

Upon your request, Kimley-Horn and Associates, Inc. (Kimley-Horn) contacted references provided by New World Contracting, LLC (New World) to assist in your evaluation of bids on the above referenced project.

Kimley-Horn spoke with the following references. Other references we attempted to contact were not responsive to our requests to discuss New World's qualifications.

Mr. Kirk Iverson, Contract Administrator for the City of Irving Public Works Department, confirmed New World performed an annual maintenance contract and that the City of Irving recently renewed that contract. The contract amount was \$1.1 million. He indicated there were no issues with New World and that they were responsive. There were some quantity discrepancies early in the project, but those issues have not been repeated. New World did not use any sub-contractors for the work. Mr. Iverson also stated that New World has handled temporary traffic control very well and they have been very responsive to any reported issues, even during weekends when no work is being performed.

Mr. Mark Misun, Project Manager for the City of Frisco, confirmed that New World recently completed a roadway lane widening and U-turn construction on Dallas Parkway for the City in the contract amount of \$1.2 million. Mr. Misun indicated there were some quantity adjustments, but all adjustments were handled fairly by New World. The project was not completed on time, but the delays were beyond New World's control. The project was completed within budget and Mr. Misun indicated New World did a good job on the project. New World did utilize sub-contractor's on the project and no issues were observed. There were no warranty issues. Mr. Misun stated that temporary traffic control was handled well and communication was very good. Mr. Misun indicated the City of Frisco would work with New World again.

Sincerely,

KIMLEY-HORN AND ASSOCIATES, INC.
