Hi Mindi,

We will no longer be Coppell residents as of September 10. That is a sad sentence to type out. :(

I'm going to do my best to attend the August meeting but won't know if I will be available till a bit closer. It will just depend on what activities are happening with our home sale/purchase.

Thanks

I'm not completely sure of the timeline but we are trying to relocate by the end of the summer. Once I have more details, I'll share and can give more specifics on when my last meeting will be.
