

MEMORANDUM

To: Mayor and City Council

Through: Mike Land, City Manager

From: Traci E. Leach, Deputy City Manager

Date: November 13, 2018

Reference: Legislative Agenda

2030: **Sense of Community, Special Place to Live, Business Prosperity, Sustainable City Government**

Introduction:

The purpose of this agenda item is to discuss and finalize the City of Coppell's legislative agenda for the upcoming legislative session, which begins in January 2019. The legislative agenda identifies priorities and issues for the City that will impact our community. This legislative platform will be provided to the elected officials that represent Coppell at the state level, as well as other decisionmakers and stakeholders throughout the state and here in Coppell.

The backup material includes the legislative agenda document. The sections highlighted in yellow represent changes that were made after the most recent work session discussion on this item.

Legal: None.

Fiscal Impact: None.

Recommendation: Staff recommends approval of the Legislative Agenda for the 2019 legislative Session.
