### INSTALLATION

**Installation/Prices are not included in this Quotation. A separate installation quotation must be included with your order if installation is required.**

### PLAYGROUND SURFACING WARNING

All play equipment must be installed over impact absorbing surface. Go to [www.cpsc.gov](http://www.cpsc.gov) for more information.

### SITE ACCESS FOR SURFACING MATERIALS/INSTALL

It is highly preferred that a level site is free of any obstacles that encroach upon the required fall zone for your design. The site access must have a maximum of 25' for accessibility by heavy machinery (trucks, trailers, and Bobcats).

Irrigation sprinklers and/or water systems must be shut off 24 hours before installing surfacing and remain off for an additional 24 hours after.

### CONCEALED CONDITIONS—ROCKS, UTILITIES, IRRIGATION, SEWER & DRAIN, SUPPLY ABANDONED LINES

The PlayWell Group, Inc., reserves the right to charge for additional manpower and equipment rental if subcontractors encounter rock that cannot be penetrated to drill installation holes with a mechanical auger. Other concealed conditions may include but are not limited to power and electrical lines, water and gas lines, irrigation lines, sewer lines, drain lines and all abandoned lines. Marking utilities and other subsurface lines are the [responsibility of the end user](#). If any lines are damaged, all costs associated with repairing the line are the sole costs of the end user. Any associated losses are the responsibility of the end user. PlayWell's Sales Associates will notify you and meet with you at the work site to review the conditions requiring additional charges.

### NOT INCLUDED FOR THE SURFACING MATERIALS/INSTALLS

Site security, bonding, permits or licenses, site preparation, excavation, subbase, concrete, compaction of aggregate, curbing, drainage, fencing, dumpster, demolition, trash removal, tenting or artificial heating due to weather, and roll coat maintenance.

### WEATHER DELAY

Unusual weather patterns, heavy rain, lightning or thunder conditions, and flooding 'acts of God' or natural disaster, wherein the project site is determined to be unworkable. The installation of your surfacing will be delayed.

### ESCALATOR CLAUSE

Due to the current volatility of the surfacing raw material and shipping and labor, expired proposals may be subject to a price increase. Please contact your Sales Rep for current pricing, if applicable.
