An update will be provided regarding the One Coppell initiative.

One Coppell is a comprehensive initiative that invites all 40,000+ Coppell residents and staff to participate in building a more connected, welcoming community through activities and events that focus on getting to know your neighbors, celebrating our neighbors unique stories and traditions, and having the conversations that help facilitate understanding. One Coppell programs and resources are designed for all residents—whether you’re new to Coppell or have lived here for years.
