### General Information:

The Coppel Historical Society has approached the City requesting to relocate a home currently located at 532 S Coppel Road to Heritage Park, located at 700 S Coppel Road.

At the April 12, 2022 meeting Council requested more research and cost estimates pertaining to the relocation of the house. Subsequent to this meeting, staff began due diligence work to identify costs. During this process, conflicting information regarding the age of the home was identified that could impact whether the home has historical value.

The Parks and Recreation Department and the Historical Society are seeking direction from City Council regarding their desire to accept the donation of the property.
