

Department: Crime Prevention District

Division: Special Revenue

Mission

The Crime Prevention District facilitates the Coppell Police Department's efforts to maintain a safe community environment. This is accomplished by providing quality programs and services such as our School Resource Officers and Community Services Crime Prevention Officer programs. The district also provides funding for public safety communications, which is done in collaboration with our partner cities through the North Texas Emergency Communications Center (NTECC).

Authorized Personnel

Total		17	19	19

FY2020 Key Goals

Implement in collaboration with CISD an in-class officer facilitated alcohol and drug education program for students.
Support the CISD and provide education to the younger citizens of Coppell with the School Resource Officer program, the Police Explorer program, the Junior Police Academy, and various safety education classes, including the Self-Defense for Women course offered to high school senior girls.
Continue to engage our citizens through our perennially award-winning National Night Out program.
