Re: Draft 2021 Legislative Priorities

Introduction: Over the course of the year, Council has discussed various subjects to be included in the 2021 Legislative Priorities document to be used during the upcoming legislative session. A draft copy is attached that reflects many items from the 2019 Priorities List, as well as, items pressing Coppell today.

Analysis: The Council may choose to modify its previously adopted legislative priorities to include or delete certain aspects of it. Staff is requesting that Council provide direction regarding the development of a final 2021 Legislative Priorities list. Once Council has provided its input, staff will finalize the document for Council's adoption during a regularly scheduled City Council meeting.
