Introduction:

The purpose of this agenda item is to award a bid to Fast General Contracting LLC for the site construction of the Veterans Memorial in the amount of \$715,041.67.

Background:

On December 6, 2024, the Community Experiences Department solicited bids for the site portion of the Veterans Memorial project. On January 2, 2025, two (2) contractors submitted bids for consideration by staff. Please see the bid tabulation that is attached.

The Site portion of the project includes all site elements of the Veterans Memorial project excluding the six (6) towers representing the military branches. As staff and the design consultant worked through the design process it was determined that due to the custom and artistic nature of the six towers, these pieces should be excluded from the overall construction award and treated as custom art pieces.

Staff recommends awarding the base bid with one alternate addition and one alternate deduction:

Base bid: \$735,707.77

ALT-01: -\$59,046.00 (deduct Pennsylvania Blue Stone)

ALT-02: \$38,379.90 (add decorative concrete)

Bid Total: \$715,041.67
