Mike Garza, P.E., Director of Public Works

Date: March 28, 2023

Reference: Consider approval to purchase one (1) Interceptor Utility Hybrid from Silsbee Ford through TIPS #210907; for replacement of an existing vehicle, in the amount of \$58,209.64; as provided for in the Capital Replacement Fund; and authorizing the City Manager to sign all necessary documents.

2040: Sustainable Government

Introduction:

The purpose of this agenda item is to seek approval from Council for purchase of one (1) Interceptor Utility Hybrid through The Interlocal Purchasing System (TIPS) #210907 from Silsbee Ford for replacement of an existing Fire Inspector vehicle. The Ford Interceptor Utility Hybrid is the fire department version of a Ford Explorer Hybrid.

Background:

To operate a clean, efficient, and reliable fleet, Public Works sets an initial life expectancy on all vehicles & equipment introduced into the fleet. During its service life, each vehicle & piece of equipment is subject to close monitoring of availability, operating cost, accumulated miles/hours, condition, obsolescence, and the ability to perform required tasks. The vehicles being replaced have reached the end of useful service life and it has been determined that replacement is necessary.

Benefit to the Community:

This Fire Inspector vehicle is an essential piece of equipment used by the Fire Department to perform their daily duties that provide public safety in the community.

Legal Review:

The Procurement Division has reviewed the documents and determined that this is an appropriate method of contracting with the vendor.

Fiscal Impact:

The fiscal impact of this Agenda Item is \$58,209.64 as provided for in the Capital Replacement Fund.

Recommendation:

The Public Works Department recommends approval of this purchase.
