Re: Resignation

Dear Mindi:

Please accept this letter of resignation from the City of Coppell Economic Development Committee. I take great pride in the progress the City has made during my time on the committee and have enjoyed the opportunity to work with so many committed, engaged fellow committee and staff participants. While I will definitely miss the monthly meetings, I look forward to continuing the important work of the committee as a member of the City Council. Thank you for all of your support and assistance.

Sincerely,
