Dear Mr. Steer,

As you are aware, Wisnaker received Coppell City Council Approval of **GTE Shared Services Addition, Lots 1r1A-R, Block 1, Replat** on December 11, 2012. Due to certain business conditions and considerations the project has been on hold since that time. We are now moving forward with Design but will not be far enough along to meet the June 12, 2013 date for submittal of the Replat to the City for signatures as outlined in Gary Sieb's letter dated December 12, 2012. Therefore, please allow this letter to serve as our request for a 180 day extension of the June 12, 2013 deadline date for submittal of **GTE Shared Services Addition, Lots 1r1A-R, Block 1, Replat** to The City of Coppell for signatures.

Respectfully yours,

Keith Hermes
