

## MEMORANDUM

**To:** Mayor and City Council

**From:** Casey McCaughan, Fleet Services Manager  
Mike Garza, P.E., Director of Public Works

**Date:** January 9, 2024

**Reference:** Consider approval of a Pierce Enforcer TDA 107' Fire Truck from Siddons Martin Emergency Group through BuyBoard #651-21, for replacement of existing vehicle, as provided for in the Capital Replacement Fund, in the amount of \$2,360,597.00; and authorizing the City Manager to any sign necessary documents.

**2040:** Sustainable Government

---

### Introduction:

The purpose of this agenda item is to seek approval from Council for purchase of one (1) Pierce-Custom Enforcer TDA – 107' through BuyBoard Purchasing Cooperative #651-21 from Siddons Martin Emergency Group for replacement of existing fire truck.

### Background:

To operate a clean, efficient, and reliable fleet, Public Works sets an initial life expectancy on all vehicles & equipment introduced into the fleet. During its service life, each vehicle & piece of equipment is subject to close monitoring of availability, operating cost, accumulated miles/hours, condition, obsolescence, and the ability to perform required tasks. With the current lead time on delivery date of a new fire truck being more than four years, the vehicle being replaced will have reached the end of useful service life and it has been determined that replacement is necessary at this time.

### Benefit to the Community:

Replacing the city's fire apparatus utilizing a replacement schedule will maintain the fleets dependability and reliability to save lives, protect property, and minimize environmental impact for our community.

### Legal Review:

The Procurement Division has reviewed the documents and determined that this is an appropriate method of contracting with the vendor.

**Fiscal Impact:**

The fiscal impact of this Agenda Item is \$2,360,597.00 as provided for in the Capital Replacement Fund.

**Recommendation:**

The Public Works Department recommends approval of this purchase.
