

Recording Work Sessions

July 23, 2019

Recap from previous discussions:

July 24, 2018 – Initially presented two options for recording work sessions – one mounted and one portable.

- Council asked for more information regarding a mounted solution.

January 22, 2019 – Presented a quote for the equipment which would include: two HD cameras, mounts and microphones for the 1st and 2nd Floor Conference Rooms.

- Proposed cost: approximately \$20,000 + cost of AV Technician at \$125/hour for four hour increments.
- Council requested a listing of cities recording work sessions and a demonstration.

The following cities record/broadcast their work sessions:

- Carrollton
- Lewisville
- Addison
- Farmers Branch
- Richardson
- Denton
- Southlake (Chambers)
- Colleyville (Chambers)

Number of Council Meetings and Work Sessions:

- 20-21 Regular City Council Meetings
- 6-Budget Work Sessions/Town Halls
- 3-5th Tuesday Work Sessions
- 2-4 Council Retreats

Annual total = 31-34 meetings for an approximate cost of \$15,000-17,000

Recording Work Sessions

Demonstration - filmed on June 11, 2019
