

MEMORANDUM

To: Mayor and City Council

From: Christel Pettinos, City Secretary

Date: June 9, 2020

Reference: Discussion regarding on-street parking for certain vehicles in residential areas.

At the request of Councilmember Yingling, discussion regarding on-street parking for certain vehicles in residential areas has been placed on the Work Session agenda. Three residents spoke at Citizens' Appearance on October 23, 2018 requesting amendments be made to the current ordinance. For your review, the minutes from that meeting have been attached, as well as the current ordinance and link to the video recording.
