2. Section 15-4-2
 - a. Changed year referenced from 2023 to 2026.
 - b. Changed formatting to be easier to read.
 - c. (C) 2. Removed reference to electrical code not being a design specification or instruction manual.
 - d. Removed outdated reference (previously section (D)) to International Electrotechnical Commission.
 - e. Reworded section (C) 2 for “Deputies” to reflect that we have combination inspectors, not electrical-only inspectors.
 - f. Removed reference to “section 85-6(b)” from (C) 7 as that section no longer exists.
 - g. Removed previous section (F) 2. It was identifying “municipal electrical licenses” which are now are issued by the state, not the municipalities,
 - h. Updated section (C) 2 to remove references to municipal licenses.
 - i. Section (C) 11 Plans and Specifications has been updated to remove outdated reference to Article 3271a, Vernon’s Annotated Texas Statutes.
 - j. Removed previous section (F) 9 regarding the retention of plans. The City complies with state law for public information and the retention of documents.
 - k. Removed definitions of municipal licenses. Those are defined by the state.
