RE: Mockingbird Lane Reconstruction – Project No. TAX2012A

Dear Keith,

As you know, bids were opened on Thursday, March 14, 2013 for the above referenced project. Two bids were received from RKM Utility Services, Inc. and Jim Bowman Construction. The bids for the project were \$987,155.00 and \$1,200,909.50 with RKM Utility Services, Inc. being the apparent low bidder. Upon review of their bid documents, it appears that both are responsive bidders and have met the requirements set forth in the bid documents.

Based upon RKM Utility Services, Inc. prior experience working for the City of Coppell and other experiences I have had with them, we recommend that the City of Coppell award the above referenced project to RKM Utility Services, Inc. in the amount of \$987,155.00. Additionally, according to the contract, they may be eligible for incentives totaling \$60,000.00 if all conditions of the contract are met.

Sincerely,

J. VOLK CONSULTING, INC.
