2.2 The Premises are not in an improvement project financed by tax increment bonds.

Article III

Tax Abatement Authorized

3.1 This Agreement is authorized by the Tax Code and in accordance with the City Tax Abatement Guidelines, and approved by resolution of the City Council.

3.2 Subject to the terms and conditions of this Agreement, and provided the Taxable Value for the Improvements, excluding the Land, is at least Three Million Dollars (\$3,000,000.00) as of January 1 of the First Year of Abatement and as of January 1 of each calendar year thereafter during the term of this Agreement, the City hereby grants Owner an abatement of seventy-five percent (75%) of the Taxable Value of the Improvements for a period of five (5) consecutive years, beginning with the First Year of Abatement. The foregoing percentage of Taxable Value of the Improvements subject to abatement for each year this Agreement is in effect will apply only to the portion of the Taxable Value of the Improvements that exceeds the Base Year Taxable Value. The failure of the Improvements to have a Taxable Value of at least Three Million Dollars (\$3,000,000.00) as of January 1 of any given Tax Year shall not be an event of default subject to termination and repayment of the abated taxes pursuant to Article V hereof but shall result in the forfeiture of the tax abatement for the Improvements for such Tax Year.

3.3 The period of tax abatement herein authorized shall be for a period of five (5) consecutive years beginning with the First Year of Abatement.

3.4 During the period of tax abatement herein authorized, Owner shall be subject to all taxation not abated, including but not limited to, sales tax and ad valorem taxation on the Land.

3.5 The term of this Agreement shall begin on the Effective Date and shall continue until the Expiration Date, unless sooner terminated as provided herein.

Article IV

Improvements

4.1 Owner owns or is under contract to purchase the Land and intends to construct or cause to be constructed thereon the Improvements. Nothing in this Agreement shall obligate Owner to construct the Improvements on the Land, but said actions are conditions precedent to tax abatement for such Parties pursuant to this Agreement.

4.2 As a condition precedent to the initiation of the Owner's tax abatement pursuant to this Agreement, Owner agrees, subject to events of Force Majeure, to cause Commencement of Construction of the Improvements to occur on or before December 31, 2018, and subject to events of Force Majeure to cause Completion of Construction of the Improvements to occur on or before eighteen (18) months thereafter, as good and valuable consideration for this Agreement, and that all construction of the Improvements will be in accordance with all applicable state and local laws, codes, and regulations (or valid waiver thereof).

4.3 Construction plans for the Improvements constructed on the Land will be filed with the City, which shall be deemed to be incorporated by reference herein and made a part hereof for all purposes.

4.4 Owner agrees to maintain the Improvements during the term of this Agreement in accordance with all applicable state and local laws, codes, and regulations.

4.5 The City, its agents and employees shall have the right of access to the Premises during and following construction to inspect the Improvements at reasonable times and with reasonable notice to Owner, and in accordance with visitor access and security policies of the Owner, in order to insure that the construction of the Improvements are in accordance with this Agreement and all applicable state and local laws and regulations (or valid waiver thereof).

Article V

Default: Recapture of Tax Revenue

5.1 In the event: (i) Owner fails to cause Commencement and/or Completion of Construction of the Improvements in accordance with this Agreement or in accordance with applicable State or local laws, codes or regulations; (ii) has delinquent ad valorem or sales taxes owed to the City (provided Owner retains its right to timely and properly protest such taxes or assessment); (iii) has an event of Bankruptcy or Insolvency; or (iv) breaches any of the terms and conditions of this Agreement, or a Related Agreement, then Owner, after the expiration of the notice and cure periods described below, shall be in default of this Agreement. As liquidated damages in the event of such default, the Owner shall, within thirty (30) days after demand, pay to the City all taxes which otherwise would have been paid by the Owner to the City without benefit of a tax abatement, for the property the subject of this Agreement at the statutory rate for delinquent taxes as determined by Section 33.01 of the Tax Code, as amended, but without penalty. The Parties acknowledge that actual damages in the event of default termination would be speculative and difficult to determine. The Parties further agree that any abated tax, including interest, as a result of this Agreement, shall be recoverable against the Owner, its successors and assigns and shall constitute a tax lien against the Premises, and shall become due, owing and shall be paid to the City within thirty (30) days after notice of termination.

5.2 Upon breach by Owner of any of the obligations under this Agreement, the City shall notify Owner in writing, which shall have thirty (30) days from receipt of the notice in which to cure any such default. If the default cannot reasonably be cured within such 30-day period, and the Owner

has diligently pursued such remedies as shall be reasonably necessary to cure such default, then the City may extend the period in which the default must be cured.

5.3 If the Owner fails to cure the default within the time provided as specified above or, as such time period may be extended, the City, at its sole option, shall have the right to terminate this Agreement by providing written notice to the Owner.

5.4 Upon termination of this Agreement by City, all tax abated as a result of this Agreement, shall become a debt to the City as liquidated damages, and shall become due and payable not later than thirty (30) days after a notice of termination is provided. The City shall have all remedies for the collection of the abated tax provided generally in the Tax Code for the collection of delinquent property tax. The City at its sole discretion has the option to provide a repayment schedule. The computation of the abated tax for the purposes of the Agreement shall be based upon the full Taxable Value of the Improvements without tax abatement for the years in which tax abatement hereunder was received by the Owner, as determined by the Appraisal District, multiplied by the tax rate of the years in question, as calculated by the City Tax Assessor-Collector. The liquidated damages shall incur penalties as provided for delinquent taxes and shall commence to accrue after expiration of the thirty (30) day payment period.

Article VI

Annual Application for Tax Exemption

It shall be the responsibility of the Owner, pursuant to the Tax Code, to file an annual exemption application form for the Improvements with the Chief Appraiser for the Appraisal District (or its successor) in which the eligible taxable property has situs. A copy of the respective exemption application shall be submitted to the City upon request.

Article VII

Annual Rendition

The Owner shall annually render the value of the Improvements to the Appraisal District, and shall provide a copy of the same to the City upon written request.

Article VIII
