

MEMORANDUM

To: Mayor and City Council

From: Kevin Richardson, Fire Chief

Date: November 13, 2018

Reference: Consider approval to purchase Fire Truck (Quint) Model #300205-751 Pierce Velocity 107' through an Interlocal Agreement with Houston Galveston Area Council (H-GAC) not to exceed \$1,200,000 and authorizing the City Manager to sign.

2030: Sustainable City Government

Introduction:

The Coppell Fire Department is in the process of moving forward with the implementing the addition of Fire Station #4. The plan is for the department to add a Pierce Velocity 107' Aerial Ascendant Quint to the fleet to be the frontline response apparatus for the new fire station. The new apparatus would serve many functions including requirements to support our Cass 1 ISO rating from the Insurance Service Office.

Analysis:

On August 29, 2017, City Council chose to move forward with implementing the addition of Fire Station #4, relocation of Fire Station #1, and relocation of the Resource Storage Facility. A multi-year plan was developed, and City Council has already approved to move forward with Architectural Design, Land Acquisition and Program Manager Services. Funding for the unit was planned and budgeted in the Capital Improvement Plan (CIP) and included in the Certificate of Obligation (CO) issuance for General Government projects.

Legal Review:

Agenda item did not require legal review.

Fiscal Impact:

The fiscal impact of this agenda item is \$1,200,000.

Recommendation:

The Fire Department recommends approval.
