

MEMORANDUM

To: Mayor and City Council

From: Aaron Tainter, P.E., Assistant Director of Public Works
Mike Garza, P.E., Director of Public Works

Date: September 10, 2024

Reference: Consider approval for award of a design contract to Walter P. Moore; for construction plans of stabilization measures for two sections of streambank along Denton Creek in Andy Brown West Park; utilizing the Drainage Utility District (DUD) Fund, Fund Balance, in the amount of \$269,500.00; and authorizing the City Manager to sign all necessary documents.

2040: Sustainable Government

Introduction:

The purpose of this agenda item is to request approval for a design contract to Walter P. Moore for construction plans of stabilization measures for two sections of streambank along Denton Creek in Andy Brown West Park; utilizing the Drainage Utility District (DUD) Fund, in the amount of \$269,500; and authorizing the City Manager to sign all necessary documents.

Background:

This project involves designing permanent stabilization measures for two sections of streambank along Denton Creek in Andy Brown West Park. This erosion is a threat to the concrete trail along the south of the creek and given that this area of Denton Creek is located on city-owned property, the city is responsible for maintenance and repair. One of the areas includes the site of a temporary repair completed this spring where a tree fell into Denton Creek. This project is for design purposes only. The actual construction of the permanent stabilization measures will be awarded at a subsequent meeting.

Benefit to the Community:

The streambank stabilization measures will protect the Andy Brown West Park trail facilities, prevent further erosion and reduce downstream sedimentation allowing the community to continue enjoying these amenities.

Legal Review:

Standard professional services agreements are periodically reviewed by the City Attorney.

Fiscal Impact:

The fiscal impact of this agenda item is \$269,500 from the Drainage Utility District (DUD) Fund, fund balance.

Recommendation:

The Public Works Department recommends approval of this contract.
