Manager's Report

-The conference room door and glass have been replaced. The style matches the space well and is much more functional than before.

-One of our children's librarians will be retiring at the end of the month. If you have ever had the pleasure of attending a program or Storytime with Tracie, you know just how special she is. For 21 years, she has shared her love of reading with children of all ages and much like Mary Poppins, made each moment magical. We will miss her greatly!
