

## **WELBILT**

1010 W. SANDY LAKE RD COPPELL, TX

**EXTERIOR MONUMENT SIGNAGE** 

MAY 6, 2024

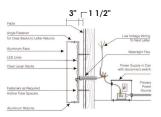

Example of typical Push-Thru Acrylic Letters

Internal LED lights within the sign cabinet illuminate cut-out and push-thru Acrylic letters and icons, with painted 1/8" thk. Aluminum face panels. When the sign illuminates at night, a halo-lit glow appears around all the letters and icons.

Example of typical reverse halo-lit channel letters
