**WHEREAS** the City Council of the City of Coppel, Texas has previously established the maximum speed limit for I-635 to be 65 mph; and

**WHEREAS**, Section 545.356 of the Texas Transportation Code provides that whenever the governing body of the municipality shall determine upon the basis of an engineering and traffic investigation that any prima facie speed therein set forth is greater or less than is reasonable or prudent under the conditions found to exist at any intersection or other place or upon any part of a street or highway within the City of Coppel taking into consideration, among other things, the width and condition of the pavement and other circumstances on such portion of said street or highway, as well as the usual traffic thereon, said governing body may determine and declare a reasonable and prudent prima facie speed limit thereon by the passage of an ordinance, which shall be effective when appropriate signs giving notice thereof are erected at such intersection or other place or part of the street or highway; and
