**Re: Recommendation of Contractor for City of Coppell Southwestern EST Rehabilitation Project**

The purpose of this letter is to recommend a contractor for the above referenced project. A complete bid tabulation from the October 16<sup>th</sup>, 2018 public bid opening is attached. This project involves the rehabilitation, repainting, and structural steel repairs of the Southwestern Elevated Water Storage Tank for the City of Coppell, TX.

1. Bid Tabulation Sheet – Nine (9) contractors participated in the bidding process. The bid was checked for mathematical errors and/or bid irregularities. The bids were found to have no mathematical errors and/or bid irregularities. The project was bid with a Base Bid and six (6) Alternate Bid Items. Copy of Bid Tabulation and Bidder's Proposal attached.
2. Qualifications and References – The lowest responsive and responsible bidder, Tank Pro, Inc. of Northport, AL provided an acceptable list of qualifications and references, and has completed numerous successful water tank construction projects.

**The lowest, responsive and responsible bidder, Tank Pro, Inc. is recommended for award for a total contract price not to exceed \$1,021,679.** A copy of the Bidder's Proposal is attached. Dunham Engineering has interviewed the Contractor's Project Manager, and reviewed submitted references for similar projects, and has found all to be satisfactory.

If you should have any questions regarding the above recommendations, please feel free to call anytime.

Sincerely,

Wesley A. Oatman, P.E.
