We enjoy hosting people and learning more about them. We like to travel ourselves and are always looking for an affordable place that is nice. My husband spent a lot of time traveling overseas and liked meeting new people and staying different places. Airbnb provides this same opportunity and we are glad to be a part of the family.

We had a lovely stay with Marcia. It was the perfect location for us as we were house hunting in the area. Marcia was always responsive and provided helpful suggestions when needed. I also enjoyed getting to know her dogs, and she was diligent about keeping them away from the guest room to keep the room dog free. I would definitely...

Once again, Marcia's place was perfect! I love having the privacy I want and to also feel like I'm able to come and go as needed without intruding. She really does think of all the little touches that make a stay even better. The bed & bedding are so comfortable and amazing. Thank you for a top notch stay.

I really enjoy staying at Marcia's place. The room and bathroom are always clean and well prepared. Marcia is very straight forward and respectful in her approach to hosting making the stay peaceful and drama free. Marcia also goes the extra mile in her kindness. The neighborhood is peaceful and well maintained.

We have stayed several times at Marcia's place. She is a great hostess and very kind. Her family is very nice and their puppies are so well behaved.

We will come back anytime. I highly recommend to book this Airbnb.

Neighborhood is quiet and has lots of sidewalks and street lamps for walking or jogging. There is a golf course around the corner that you can play golf (can call for cost and scheduling a time to play). There is a large park in Coppell called Andy Brown Park with several lakes and walking trails. Trinity River Kayak Co. is around the corner if you are up for water adventure during summer months (schedule on their website).
