10. Please give a brief statement on why you would be interested in serving on the Denton Central Appraisal District Board of Directors.

I want to serve because I think I would be a good board member. Why? I have good experience.

I have owned a commercial property management firm since 1991. We have managed over 30 million square feet of commercial buildings. During that time I have personally handled informal protest, formal protest and even engaged some lawsuits. I understand the valuation process and the protest process.

I know how to ask questions. As an elected city councilmember (City of Carrollton) and as a business owner, I learned the value of asking questions. I'd rather be the man with the right questions instead of the man who thinks he knows all the answers.

11. Please list any additional information you believe would be beneficial for the Denton County Entities to know about you.

I tackle problems in a positive way. A good property manager looks for and fixes problems before they become serious. As a DCAD board member I will operate the same way. There are some problems. Taxed entities are not entirely satisfied with DCAD. Why?

DCAD has some problems with limited staffing and meeting deadlines. Why?

What improvements can be made to satisfy the taxed entities. What improvements

can be made to support and improve DCAD. I am willing to look seriously at these and other issues.
