Re: Extension for the Westhaven Phase 2B, Final Plat

Mrs. Diamond,

As the owner of the Westhaven Phase 2B project, I hereby request a Final Plat Extension for three (3) months to be granted from the date of the expected expiration on December 09, 2015 in order to provide adequate time to finish addressing engineering comments and begin construction. Since approval of the Final Plat, we have received comments from city staff and are working towards addressing those comments. We are actively seeking to begin construction at the beginning of 2016 and are working with engineering staff to secure construction release.
