Good afternoon and Happy 4th of July!

As always, the parade was fantastic this morning.

I am writing, unfortunately, to submit my resignation from the committee.

My wife and I have both received promotions that relocate us back to the Washington D.C. area. This was a very tough decision as Coppell is truly the greatest city we have lived in. However, our family is located in the area and with our son going into Kindergarten the timing seemed right.

Thank you so much for allowing me to serve on the committee and I will be sure to be in touch if we end up back in the area.

Ryan

RE: Economic Development Committee

Dear Mr. Burroughs:

Thank you for your time and commitment as a member of the Economic Development Committee. The City Council appreciates your interest in our community and your service to city government. Our records indicate you have missed two regularly scheduled meetings this year. As you know, our boards cannot function without regular participation by its members. If you believe your attendance for the remainder of the calendar year will be a concern, we ask that you let us know so we can make the necessary arrangements.

We appreciate your participation on one of our boards and thank you for your cooperation in this matter. If you have any questions, please feel free to contact me.

Respectfully,

Jean Dwinnell
Deputy City Secretary
