RE: John Jun-Resignation from Board of Adjustment Commission

Dear Ms. Owens,

I regret to inform you that with this letter, I am notifying you of my resignation from the City of Coppell Board of Adjustment Commission.

Although I have sincerely enjoyed serving along with dedicated members, my commitment to the new role prevents me from serving as a member of the Board of Adjustment.

I am grateful to have had the opportunity to serve with other members, and I send my sincere best wishes for the other members going forward.

This resignation will be effective immediately, and please accept my apologies for any inconvenience this may have caused.

Sincerely,

A handwritten signature in dark ink, appearing to be 'John Jun', with a stylized, overlapping loop structure.
