3. In light of (1) above, the meeting held by video conference call is not required to be open to the public at a location where council is present. Id. § 551.127(f).
4. The audio and video are not required to meet minimum standards established by Texas Department of Information Resources (DIR) rules, the video doesn't have to be sufficient that a member of the public can observe the demeanor of the participants, the members faces don't have to be clearly visible at all times, and the meeting can continue even if a connection is lost, so long as a quorum is still present. Id. § 551.127(a-3); (h); (i); (j).
