As authorized by Section 418.016(e) of the Texas Government Code, on March 16, 2020, Governor Greg Abbott suspended various provisions that require government officials and members of the public to be physically present at a specified meeting location.

The following requirements have been suspended by the governor:

1. A quorum of the city council need not be present at one physical location. Id. § 551.127(b).
2. In light of (1), above, the meeting notice need not specify where the quorum of the city council will be physically present and the intent to have a quorum present. Id. § 551.127(e).
3. In light of (1) above, the meeting held by videoconference call is not required to be open to the public at a location where council is present. Id. § 551.127(f).
4. The audio and video are not required to meet minimum standards established by Texas Department of Information Resources (DIR) rules, the video doesn't have to be sufficient that a member of the public can observe the demeanor of the participants, the members faces don't have to be clearly visible at all times, and the meeting can continue even if a connection is lost, so long as a quorum is still present.
