As authorized by Section 418.016(e) of the Texas Government Code, on March 16, 2020, Governor Greg Abbott suspended various provisions that require government officials and members of the public to be physically present at a specified meeting location.

The following requirements have been suspended by the governor:

1. A quorum of the committee/board/commission need not be present at one physical location. Id. § 551.127(b).
2. In light of (1), above, the meeting notice need not specify where the quorum of the committee/board/commission will be physically present and the intent to have a quorum present. Id. § 551.127(e).
3. In light of (1) above, the meeting held by video conference call is not required to be open to the public at a location where committee/board/commission is present. Id. § 551.127(f).
4. The audio and video are not required to meet minimum standards established by Texas Department of Information Resources (DIR) rules, the video doesn't have to be sufficient that a member of the public can observe the demeanor of the participants, the members faces don't have to be clearly visible at all times, and the meeting can continue even if a connection is lost, so long as a quorum is still present. Id. § 551.127(a-3); (h); (i); (j).

This meeting will be closed to in person attendance by the public to reduce the spread of COVID-19. A temporary suspension of the Open Meetings Act to allow telephone or video conference of public meetings has been granted by Texas Governor Greg Abbott. Letters and emails may be submitted by any citizen of the City or other party of interest to express his or her opinion concerning this agenda or other general comments to the Commission.
