RE: My resignation from the FOARD Taskforce

Mindi,

Effective immediately, or during an agreed upon transition, I am officially notifying you of my resignation from the FOARD Task Force. It has been a wonderful experience participating with others in the Coppell community on such a needed, worthwhile initiative. Unfortunately, I am no longer able to participate due other unexpected obligations that have recently arisen.

All the best to you and the Taskforce going forward. Take care.

Shelia Maness

Coppell Resident since 2017
