Participating Political Subdivisions must submit a Review Request to the Elections Administrator within five (5) business days of receipt of the Final Bill or the Refund, whichever is later. The Review Request must set forth, in detail, the basis for any challenge to the Final Bill or Refund. Corrections to the Participating Political Subdivision's Final Bill or the Refund, based on a Review Request, will be determined at the sole discretion of the Elections Administrator. A Review Request does not extend the timeframe in Section 17(d).
- d) Should the circumstances giving rise to an audit or dispute in Section 17 (b) occur, the Participating Political Subdivision may send a formal written notice of dispute of the Final Bill or Refund ("Dispute Notice") to the Elections Administrator. This Dispute Notice must be received by the Elections Administrator no later than thirty (30) calendar days from the date the Participating Political Subdivision receives the Final Bill or Refund. This Dispute Notice must provide: 1) an itemization of the disputed charge(s) by the Participating Political Subdivision; 2) the basis for the dispute; 3) the methodology showing how the Participating Political Subdivision arrived at the amount disputed; and 4) documentation in support thereof. The Participating Political Subdivision will have no right to withhold any undisputed amounts set forth in this Election Services Contract or reflected in the Final Bill. Payment of undisputed amounts in the Final Bill must be made by the Participating Political Subdivision as set forth in Section 10 (e) of this Election Services Contract.
- e) Failure of the Participating Political Subdivision to submit a timely Dispute Notice, as set forth in Section 17(d), shall waive any and all disputes, claims, or challenges to the Final Bill or Refund by the Participating Political Subdivision. The entire amount of the Participating Political Subdivision's Final Bill shall be due immediately; or, any estimated refund amounts will become final.
- f) If the Participating Political Subdivision files a timely Dispute Notice in compliance with Section 17(d), the Participating Political Subdivision will have the right to conduct a good faith financial audit ("Financial Audit") for the deposits and expenditures related to this

Elections Services Contract. In conducting the Financial Audit, the Participating Political Subdivision will have no greater right to demand access to or copies of the County's governmental or election records than those rights specified in the Texas Election Code and the Texas Public Information Act. The cost of any Financial Audit conducted by the Participating Political Subdivision shall be borne by the requesting Participating Political Subdivision and may not be paid for with funds deposited with the Dallas County Elections Department under this Election Services Contract. Further, the Participating Political Subdivision conducting the Financial Audit shall pay the Elections Administrator the reasonable costs for time expended and copies provided in order to perform the Financial Audit. If the Financial Audit identifies overcharges by the Elections Administrator of more than ten percent (10%) of the initial deposit amount required by "Attachment A", the Elections Administrator will review and assess the findings of the Financial Audit and will negotiate, in good faith, to resolve any disputes for overcharges with the Participating Political Subdivision. The Elections Administrator shall not be bound by the findings or recommendations of the Participating Political Subdivision's Financial Audit. The financial records will be retained at the County Election Administrator's office until the conclusion of the Financial Audit and resolution of all outstanding audit disputes.

- g) In the event the representatives of the Participating Political Subdivision and the Elections Administrator cannot agree on the amount of the disputed Final Bill as set forth in this Section, then the Parties may agree to submit to non-binding mediation. If mediation is acceptable to both parties to resolve a dispute concerning the disputed Final Bill, the Parties will agree to use a mutually agreed-upon mediator. Unless the Parties come to a written agreement at mediation, the mediation will not constitute a final and binding resolution of the dispute.
- h) The Participating Political Subdivision acknowledges that the practical effect of the Participating Political Subdivision withholding undisputed funds that are required under this Election Services Contract would result in breach of this Elections Services Contract and the other Participating Political Subdivisions' taxpayers subsidizing the withholding Participating Political Subdivision's election expenses.
