

MEMORANDUM

To: Mayor and City Council

From: Danny Barton, Chief of Police

Date: February 14, 2023

Reference: Consider approval of two (2) Interlocal Agreements (Memorandums of Understanding) by and between the City of Coppel and Dallas County; and authorizing the City Manager to sign.

2040: Sustainable Government

Introduction:

The purpose of this agenda item is to acknowledge the amended language to the Criminal Justice Information Sharing Memorandum of Understanding between the Coppel Police Department and Dallas County on behalf of the Dallas County District Attorney's Office. One MOU is for adult prosecution data and the other is for juvenile prosecution data. The amendments are only to rename the technology in the existing MOU's. The technology was called Dallas County Techshare Prosecutor in the original MOU agreements. The technology will be renamed Dallas County Prosecutor. No other changes have been made.

Background:

In May of 2015, the Coppel Police Department entered into two MOU's with Dallas County. These agreements provided a computer technology application that allowed criminal case information to be shared between the Dallas County District Attorney's Office and the Coppel Police Department.

Benefit to the Community:

This technology allows Coppel police officers to upload criminal case data directly to the Dallas County District Attorney's Office. Otherwise, the case data would have to be delivered by hand daily to the Dallas County Court House where the District Attorney's Office is located.

Legal Review:

City Attorney Bob Hager reviewed both amendments and advised to share with City Council because they are amendments to already existing Memorandum Of Understanding's with Dallas County.

Fiscal Impact:

None

Recommendation:

The Coppell Police Department recommends approval of this agenda item.
