Ashley,

Thanks for the email. As we discussed on the phone, I am regretful to inform you that I won't be able to serve on the FOARD task force due to my work schedule. When things slow down for me, I would love to volunteer for other opportunities.

Thanks for your understanding.

Hi Mr. Hong,

We spoke on the phone a few days ago regarding your appointment to the FOARD Task Force. You indicated that with the shift in your work you would not be able to continue your term on the Task Force. This is a reminder that we will need a written statement from you indicating as much.

Please let me know if you have any questions.

Thank you,

Ashley Owens
