Ms. Ashley Owens, City Secretary
City of Coppell
255 E. Parkway Blvd.
Coppell, TX 75019

Dear Ashley,

As we prepare to canvass the City's election results this morning, and as I prepare to be formally sworn into office for Place 1 on the Coppell City Council immediately after the canvass is concluded, please accept this correspondence as confirmation that I now resign the following volunteer positions:

- a. Commissioner, Coppell Planning & Zoning Commission;
- b. Member, Coppell Arts Center Foundation Board; and
- c. Co-Chair, Coppell ISD Bond Steering Committee.

It has been a distinct privilege to have served with so many talented people having such a strong commitment to our community. I have learned a great deal from each of them and look forward to continuing to work with them from the standpoint of my new role.

Please let me know if you have any questions. Thank you.

Sincerely yours,

/s/ James W. Walker
