RE: Burns Street Reconstruction – Project No. TAX2014B

Dear Jamie,

As you know, bids were opened on Tuesday, April 12, 2016 for the above referenced project. Four bids were received ranging from \$944,135.00 to \$1,350,530 with RKM Utility Services, Inc. being the apparent low bidder. Upon review of their bid documents, it appears that all four of the bids are from responsive bidders and have met the requirements set forth in the bid documents.

Based upon RKM Utility Services, Inc. prior experience working for the City of Coppell and other experiences I have had with them, we recommend that the City of Coppell award the above referenced project to RKM Utility Services, Inc. in the amount of \$944,135.00. Additionally, according to the contract, they may be eligible for incentives totaling \$45,000.00 if all conditions of the contract are met.

Sincerely,

J. VOLK CONSULTING, INC.
