Dear Clay,

Clay,

Given that our Board of Trustees voted at the January 23, 2017, Board meeting to replace the existing eight foot chain link fence at Coppell Middle School North with an eight foot wrought iron fence, pending agreement from the City of Coppell to pay one-half the cost, we wish to withdraw our zoning change request from the February 14, 2017, City Council meeting pending the City Council's approval to pay one-half the cost for the new fence.

Thank you very much for all of your help and support with this matter. Please feel free to contact me should you have any questions or need additional information.

Sincerely,

Sid Grant

Assistant Superintendent for Business and Support Services
