

# NOTICE OF 2017 TAX YEAR PROPOSED PROPERTY TAX RATE FOR CITY OF COPPELL

A tax rate of \$0.579500 per \$100 valuation has been proposed for adoption by the governing body of City of Coppell. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of City of Coppell proposes to use revenue attributable to the tax rate increase for the purpose of public safety concerns and one time capital purchases.

PROPOSED TAX RATE	\$0.579500 per \$100
PRECEDING YEAR'S TAX RATE	\$0.579500 per \$100
EFFECTIVE TAX RATE	\$0.567531 per \$100
ROLLBACK TAX RATE	\$0.584936 per \$100

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for City of Coppell from the same properties in both the 2016 tax year and the 2017 tax year.

The rollback tax rate is the highest tax rate that City of Coppell may adopt before voters are entitled to petition for an election to limit the rate that may be approved to the rollback rate.

YOUR TAXES OWED UNDER ANY OF THE ABOVE RATES CAN BE CALCULATED AS  
FOLLOWS:

$$\text{property tax amount} = (\text{rate}) \times (\text{taxable value of your property}) / 100$$
