

MEMORANDUM

To: Mayor and City Council

From: Mac Tristan, Chief of Police

Date: March 09, 2018

Reference: Approval to purchase one replacement vehicle from Dodge City via Buyboard cooperative purchasing Contract #521-16 in the total amount of \$30,706.00 and authorizing the City Manager to sign.

2030: Coppel 2030, Healthy Neighborhoods/Safe Neighborhoods

Introduction:

The Police Department deploys vehicles in our Traffic Division to use during their duties. The request for authorization to spend \$30,706.00 is to replace one Traffic Division vehicle that was deemed irreparable after being involved in a fleet accident.

Analysis:

In fiscal year 2017/2018 a 2012 Dodge Charger (Vehicle ID 1120150) which was utilized by the Traffic division was involved in an accident and was determined to be a total loss by TML, the city's insurance carrier. The Charger needs to be replaced and the funds requested will provide the Police Department to purchase a 2018 Dodge Charger to be utilized for the Traffic and Patrol division. The vehicle will come from the factory with some equipment designed for police work pre-installed, making it easier and quicker to install additional after-market equipment required prior to deployment.

Fiscal Impact:

Upon Council approval, amended funds have been authorized by the City of Coppel Finance Department in FY 2017-2018 to purchase the replacement vehicle for \$30,706.00 under Buyboard cooperative purchasing Contract #521-16 using the Safelight Fund account 18-10-00-5010.

Legal Review: N/A

Recommendation:

The Police Department recommends Council approve the purchase of one 2018 Dodge Charger in the amount of \$30,706.00 and authorize the City Manager to sign.
