

## MEMORANDUM

**To:** Mayor and City Council

**Through:** Mike Land, City Manager

**From:** Traci E. Leach, Deputy City Manager

**Date:** May 29, 2018

**Reference:** Vision 2040 Process Update

**2030:**

---

**Introduction:**

The City has engaged Future iQ to assist in the facilitation of the community engagement for the Vision 2040 process. This process has been designed to be community driven and will engage as many members of the community as possible.

The methodology and approach will be very different from what the community experienced during the development of the 2030 plan. Staff will be presenting information about this process and will be prepared to answer any questions that the Council might have.

**Analysis:** None.

**Legal:** None.

**Fiscal Impact:** None at this time.

**Recommendation:**

No formal action required of the Council at this time.
