

MEMORANDUM

To: Mayor and City Council

From: Jamie Brierton, Project Manager
Kent Collins, P.E., Director of Public Works

Date: March 26, 2019

Reference: Design for Reconstruction of Cambria Drive & Wise Way

2030: Sustainable City Government, Goal 3
Excellent and Well-maintained City Infrastructure and Facilities

General Information:

- Cambria Drive & Wise Way were originally constructed in the late 1970's
- Engineering Services contract for design is \$193,107.00
- Estimated construction cost is \$1,500,000.00

Introduction:

This agenda item is being presented for approval to enter into a design contract with Criado & Associates, Inc. in the amount of \$193,107.00 for full residential street reconstruction of Cambria Drive & Wise Way.

Analysis:

To provide excellent and well-maintained city infrastructure, the citizens of Coppell authorized the use of ¼ cent sales tax revenue to be allocated for the reconstruction of our streets. Through an analysis of all streets within the City of Coppell, Cambria Drive & Wise Way were identified as in need of reconstruction. The engineering design is budgeted in the 2018-2019 fiscal year. Criado & Associates, Inc., was selected as an approved engineering design services firm through a qualifications-based selection process in early 2017.

The item before you this evening will involve engineering design for roadway reconstruction. The project improvements will include completing sewer, water and drainage improvements, as well as full pavement replacement and adding new sidewalks.

Legal Review:

The City's standard professional services contract will be utilized has been reviewed by legal periodically.

Fiscal Impact:

The fiscal impact of this Agenda item is \$193,107.00 for the street reconstruction design, as budgeted.

Recommendation:

The Public Works Department recommends approval of this contract with Criado & Associates, Inc.
