A tax rate of \$0.584000 per \$100 valuation has been proposed for adoption by the governing body of City of Coppel. This rate exceeds the lower of the effective or rollback tax rate, and state law requires that two public hearings be held by the governing body before adopting the proposed tax rate.

The governing body of City of Coppel proposes to use revenue attributable to the tax rate increase for the purpose of Public Safety expenditures.

The effective tax rate is the total tax rate needed to raise the same amount of property tax revenue for City of Coppel from the same properties in both the 2018 tax year and the 2019 tax year.
