Dear Phil,

The Schimmel concert grand referenced above, which you now have was used as a demo model in Germany after being manufactured in 2007. It was shipped from the factory to the U.S. on August 29, 2012 and has been on demo here since that time. As such, the buyer of this instrument will get the new Schimmel warranty.

Let me know if you need additional information.

Best regards,

Rob Slayman  
Vice President  
Director of marketing and Sales, North America
