WHEREAS, the Cities have determined that in addition to managing and operating the Communications Center, it would be in the best interest of the Cities for NTECC to assume ownership, maintenance, and operation of certain aspects of the Radio System; and

WHEREAS, in accordance with the LGC Agreement, the Parties desire to set forth the terms and conditions pursuant to which NTECC shall own, manage, operate, and maintain the Facilities for the benefit of the Cities, provide Public Safety Communications Services, and provide Radio System Services to the Cities, and the Cities' obligations to pay for same; and

WHEREAS, the Interlocal Cooperation Act, Texas Government Code, Chapter 791, as amended (the "Act"), provides authority for local governments of the State of Texas to enter into interlocal agreements with each other and with local government corporations for the purpose of performing governmental functions and services as set forth in the Act;

- (2) The Withdrawing Party must deliver notice to the other Parties not later than two (2) years prior to the date of desired termination;
- (3) The Withdrawing Party shall not be entitled to reimbursement from the other Parties for payments made pursuant to this Agreement prior to the date of termination; and
- (4) On or before the Withdrawing Party's withdrawal date, the Withdrawing Party shall pay to NTECC all amounts due or owed by the Withdrawing Party pursuant to Article IV incurred or accrued prior to the date of the withdrawal.

The other Cities shall have the right to offset the Withdrawing Party's liquidation share of NTECC based on any lawful Operation and Maintenance Expenses and additional capital expenditures in accordance with applicable state law, the NTECC Governing Documents, and generally acceptable accounting practices.

(d) The Withdrawing Party shall have no further right to the receipt of Public Safety Communications Services from NTECC except pursuant to a subsequent agreement with NTECC authorized by the Cities.

ARTICLE III NTECC SERVICES

Pursuant to the provisions of this Agreement and subject to the NTECC Governing Documents, NTECC is hereby authorized to provide, and agrees to provide, Public Safety Communications Services and Radio System Services for and on behalf of the Cities and shall have the authority necessary to take such action as reasonable and necessary to provide Public Safety Communications Services and Radio System Services to the Cities.

ARTICLE IV PAYMENTS

4.01. Annual Expense Budget. The Parties acknowledge and agree that payments to be made under this Agreement and similar agreements with Additional Entities, investment income, revenues received from other Persons' receipt of Public Safety Communications Services through use of the Facilities and the provision of Radio System Services to the Cities, and other revenues attributable to the use of the Facilities to provide Public Safety Communications Services, will be the only sources available to NTECC to provide the Annual Expense Budget; and that the Annual Expense Budget shall at all times be not less than an amount sufficient to pay or provide for the payment of:

(a) **Operation and Maintenance Component.** An "Operation and Maintenance Component" equal to the amount paid or payable for all Operation and Maintenance Expenses; and

(b) **Debt Service Component.** A "Debt Service Component" related to the cost of issuance and repaying the principal and interest on any debt issued by NTECC as authorized by the Cities pursuant to the NTECC Governing Documents.

4.02 Cities' Share of Annual Expense Budget. For providing Public Safety Communications Services to the Cities by NTECC under this Agreement, each City agrees to pay NTECC an amount equal to a portion of NTECC's Annual Expense Budget determined as follows:

(a) **Years 0 through 3:** For the period commencing on April 1, 2014 (notwithstanding that such date precedes the Effective Date of this Agreement), and ending on the last day of the third (3rd) complete Fiscal Year following the date NTECC commences providing Public Safety Communications Services to the Cities, the Cities' agree to pay NTECC an amount equal to the following percentages of NTECC's Annual Expense Budget (excluding the Radio System Service Charges and the Denco PSAP Charges):

- | | | |
|-----|-----------------|-----|
| (1) | Addison: | 19% |
| (2) | Carrollton: | 36% |
| (3) | Coppell: | 21% |
| (4) | Farmers Branch: | 24% |

(b) **Years 4 and After:** Commencing with the fourth (4th) complete Fiscal Year following the date NTECC commences providing Public Safety Communications Services to the Cities and for each Fiscal Year thereafter, the Cities' share of the percentage of NTECC's Annual Expense Budget (excluding the Radio System Service Charges and the Denco PSAP Charges) shall be adjusted based on the percentage of each City's Workflow during the three (3) most recent calendar years in relation to the total Workflow for all of the Cities for the same three (3) calendar years. By way of example, for the Fiscal Year beginning October 1, 2018, the percentage share of the Annual Expense Budget for the City of "A" (excluding the Radio System Service Charges and the Denco PSAP Charges) will be City A's Workflow for calendar years 2015, 2016, and 2017 divided by the total Workflow for all of the Cities for calendar years 2015, 2016, and 2017.

4.03 Division of Radio System Services Charges. If the Parties agree the Radio System Purchase Agreement and any and all related agreements should be assigned to NTECC, and, in fact, such assignment occurs such that NTECC assumes all operational as well as financial responsibilities under such agreements, each City agrees to pay NTECC a percentage of the costs and expenses related to providing Radio System Services based on the City's percentage of each City's ownership of the Radio System's Shared Components as set forth in the Radio System Agreement, which share shall be reflected in the Annual Expense Budget. As of the Effective Date, the Cities understand, acknowledge, and agree that the allocation of costs for the Radio System's Shared Components as set forth in the Radio System Agreement is as follows:

(1)	Addison	1/6
(2)	Carrollton	1/2
(3)	Coppell	1/6
(4)	Farmers Branch	1/6

4.04 Division of Denco PSAP Agreement Costs. The Parties understand, acknowledge, and agree, that (i) NTECC has entered into the Denco PSAP Agreement setting forth the terms and conditions by which NTECC will serve as a 9-1-1 Public Safety Answering Point, (ii) telephone customers in Carrollton, but not the other Cities, currently pay a fee levied pursuant to state law ("Denco 911 Fee") to provide funds to Denco to provide enhanced 9-1-1 call services within Denco's jurisdictional boundaries, and (iii) it would be inequitable for Carrollton to be allocated a share of the Annual Expense Budget related to certain expenses due from NTECC under the Denco PSAP Agreement that are also being funded in part through payment of the Denco 911 Fee. In consideration of the understanding in the proceeding sentence, the Parties agree that:

(a) As long as the portion of the expenses related to Carrollton are being paid by Denco, the expenses to be paid by NTECC pursuant to Sections 7 and 8 of the Denco PSAP Agreement shall be proportionately allocated only to Addison, Coppell, and Farmers Branch based on each of said Cities' respective populations as determined by the most recent decennial census divided by the total populations of Addison, Coppell, and Farmers Branch based on the most recent decennial census; and

(b) All other expenses incurred by NTECC pursuant to the Denco PSAP Agreement shall be allocated among all of the Cities in accordance with the percentage shares determined pursuant to Section 4.02, above.

4.05 Quarterly Payments by Cities. NTECC shall prepare and deliver an invoice to each City for the City's share for Public Safety Communications Services, Radio System Services, and Denco PSAP Agreement Costs as determined by the Annual Expense Budget and Sections 4.02, 4.03, and 4.04, above. Such invoices shall be issued quarterly with the due dates to be the later of (i) October 1, January 1, April 1, and July 1 of each Fiscal Year and (ii) thirty (30) days after receipt of the invoice from NTECC. The initial invoice shall be delivered and payable on the first day of the Fiscal Year quarter after the approval of the first Annual Expense Budget for the portion of the Fiscal Year after the Effective Date of this Agreement.

4.06 Delinquent Payments. Payments not made by a City on or before the thirtieth (30th) day following receipt of the invoice for same shall be deemed delinquent. Interest shall accrue on delinquent payments at the rate authorized pursuant to Ch. 2251 of the Texas Government Code, as amended. NTECC is authorized to discontinue service under this Agreement to any City which fails to make any delinquent payment on or before the tenth (10th) day after NTECC provides written notice to such City in accordance with Tex. Govt. Code §2251.051. NTECC shall not be obligated to recommence provision of service to a City to whom services have been discontinued pursuant to this Section 4.06 until all past due amounts,

including any accrued interests and reasonable costs of collection authorized by law, have been paid to NTECC.

4.07 NTECC Annual Expense Budget. NTECC shall adopt and approve an Annual Expense Budget in accordance with applicable provisions of the NTECC Governing Documents. The Annual Expense Budget shall, as a minimum, reflect the Annual Expense Budget and all reasonable anticipated revenues for the Fiscal Year for which the Annual Expense Budget is to adopted.

4.08 Annual Budgets of Cities; Appropriation. Each City shall make provision in its annual budget and shall appropriate an amount sufficient, at a minimum, for the payment of all amounts required to be paid by the City during each Fiscal Year under this Agreement. Failure of a City to include in the City's annual budget funds to pay its share of NTECC's Annual Expense Budget for any Fiscal Year shall constitute a notice of withdrawal of that City's participation in this Agreement; in which case said City's right to use the Communications Center or receive Public Safety Communications Services or Radio System Services from NTECC shall be immediately suspended until said City appropriates funds to pay its share of the NTECC's Annual Expense Budget and, in fact, pays such funds as provided in Section 4.05, above. A City which fails for two consecutive Fiscal Years to include in its annual budget the funds necessary to pay its share of NTECC's Annual Expense Budget shall be deemed to be a Withdrawing Party pursuant to Article II of this Agreement.

4.09 Interest Income. All interest income earned by the investment of any funds created pursuant to any Bond Resolution shall be credited towards the payment of the Bond Service Component and taken into account in determining the Annual Expense Budget; except as to any fund or account created pursuant to the terms of a Bond Resolution or any financing document authorized by such Bond Resolution and funded from any Bond proceeds, together with all interest income earned by the investment thereof may, at the option of NTECC, be credited to such fund or account and used for the purposes for which the Bonds are issued, or be credited towards the payment of the Bond Service Component.

4.10 Place of Payment. Except to the extent otherwise provided by any Bond Resolution or as may otherwise be amended by written notice by NTECC to the Cities, all amounts due under this Agreement shall be paid and be due at the principal administrative offices of NTECC.

ARTICLE V MISCELLANEOUS OPERATIONAL MATTERS

5.01 NTECC Employees. To the extent feasible, the Parties understand and agree that as soon as reasonably feasible, but in any case prior to the commencement of the provision of Public Safety Communications Services to the Cities, NTECC agrees to hire the Cities' employees who, prior to NTECC assuming the provision of Public Safety Communications Services, performed substantially similar duties for the Cities with whom they were employed subject to the following:

(a) The amount and/or rate of wages and type and amount of employee benefits to be paid and/or provided to people hired by NTECC shall be at the sole discretion of NTECC;

(b) The City's employee must be willing to accept a position with NTECC not later than five (5) business days after the date the position is offered to the City employee;

(c) NTECC, through the Executive Director, shall have sole authority in determining to what position the person should be hired; and

(d) The person shall be subject to promotion, demotion, reassignment, suspension, and termination pursuant to NTECC's policies and procedures and applicable law.

5.02 Executive Director Not Subject To Section 5.01. Notwithstanding Section 5.01, above, NTECC shall have the right to employ NTECC's Executive Director without the obligation to fill such position with an employee of any of the Cities.

5.03 Issuance of Debt. Notwithstanding other provisions of this Agreement that refer to the issuance of debt by NTECC, the Parties understand, acknowledge, and agree that NTECC is not authorized to issue bonds, certificates of obligation, or other debt instruments without the prior unanimous consent of the Cities granted pursuant to the NTECC Governing Documents.

5.04 Establishment of Operational Policies and Procedures. The Parties understand, acknowledge, and agree that, subject to the NTECC Governing Documents, NTECC shall be solely responsible for the adoption, implementation, and enforcement of policies and procedures necessary for the operation and management of NTECC and the Facilities.

ARTICLE VI ADDITIONAL CAPACITY AND FACILITIES

As the responsible entity for the establishment, administration, management, operation, and maintenance of the Facilities, NTECC will, subject to the approval of the Cities as required by the NTECC Governing Documents, from time to time determine when and to what extent it is necessary to provide Additional Facilities to provide Public Safety Communications Services and/or Radio System Services to the Cities and, if necessary, to issue Bonds, subject to the provisions of this Agreement, to accomplish its purposes.

ARTICLE VII REMEDIES

7.01. Remedies. Notwithstanding anything in this Agreement to the contrary, as governmental entities, the Parties have not waived immunity from suit and liability under Texas law, and the execution and delivery of this Agreement does not constitute such a waiver. The foregoing sentence notwithstanding and to the extent permitted by law, the obligations,

agreements, and covenants of NTECC and each City (including, without limitation, the obligation of each City to pay its share of the Annual Expense Budget, as provided herein) contained in this Agreement may be enforced by any Party and any holder of Bonds of NTECC by such suits, actions, or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, either for mandamus or the specific performance of any covenant or agreement contained herein.

7.02. Legal Authority. In entering into this Agreement and performing all duties and obligations hereunder, the Cities and NTECC exercise their authority under and in accordance with the constitution and laws of the State including, but not limited to the Act, the Cities' Charters, and all other laws that may authorize this Agreement, all of which provisions and laws, cited or uncited herein, shall cumulatively provide the authority for this Agreement.

The Parties agree to submit to the personal and subject matter jurisdiction of said court.

8.03 Party Responsibility. To the extent allowed by law, and without waiving any governmental immunity available to the Parties under Texas law, or any other defenses the Parties are able to assert under Texas law, each Party agrees to be responsible for its own negligent or otherwise tortious acts or omissions in the course of performance of this Agreement.

8.04 Immunity. It is expressly understood and agreed that, in the performance of this Agreement, none of the Parties waive, nor shall be deemed hereby to have waived, any immunity or defense that would otherwise be available to them against claims arising in the exercise of governmental powers and functions. By entering into this Agreement, the Parties do not create any obligations, express or implied, other than those set forth herein, and this Agreement shall not create any rights in any persons or entities who are not parties to this Agreement.

8.05 Entire Agreement. This Agreement represents the entire agreement among the Parties with respect to the subject matter covered by this Agreement. There is no other collateral, oral or written agreement between the parties that in any manner relates to the subject matter of this Agreement.

8.06 Exhibits. All exhibits to this Agreement are incorporated herein by reference for all purposes wherever reference is made to the same.

8.07 Recitals. The recitals to this Agreement are incorporated herein.

8.08 Amendment. This Agreement may only be amended by the mutual written agreement of all of the Parties.

8.09 Place of Performance. Performance and all matters related thereto shall be in Dallas County, Texas.

8.10 Authority to Enter Agreement. Each Party has the full power and authority to enter into and perform this Agreement, and the person signing this Agreement on behalf of each Party has been properly authorized and empowered to sign this Agreement. The persons signing this Agreement hereby represent that they have authorization to sign on behalf of their respective Party.

8.11 Severability. In the event any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect the other provisions, and the Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in this Agreement.

8.12 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and constitute one and the same instrument.

8.13 Assignment. No Party may assign, transfer, or otherwise convey this Agreement without the prior written consent of the other Parties.

8.14 Consents. Unless expressly stated otherwise, whenever the consent or the approval of a Party is required herein, such Party shall not unreasonably withhold, delay or deny such consent or approval.

8.15 Good Faith Negotiation; Dispute Mediation. Whenever a dispute or disagreement arises under the provisions of this Agreement, the Parties agree to enter into good faith negotiations to resolve such disputes. If the matter continues to remain unresolved, the Parties shall refer the matter to outside mediation, the costs of which shall be shared equally, prior to engaging in litigation (unless delaying the filing of a lawsuit might result in the lawsuit being barred, including but not limited to a bar by a statute of limitations). The provisions of this Section 8.15 shall survive termination.

8.17 Survival of Covenants. Any of the representations, warranties, covenants, and obligations of the Parties, as well as any rights and benefits of the Parties, pertaining to a period of time following the termination of this Agreement shall survive termination.

8.18 Source of Payment. Each City paying for the performance of governmental functions or services pursuant to this Agreement must make those payments from current revenues available to the paying City or from funds otherwise lawfully available to the City for use in the payment of the City's obligations pursuant to this Agreement.

8.19 Force Majeure. No Party shall be liable to any or all of the other Parties for any failure, delay, or interruption in the performance of any of the terms, covenants, or conditions of this Agreement due to causes beyond the Party's respective control or because of applicable law,

including, but not limited to, war, nuclear disaster, strikes, boycotts, labor disputes, embargoes, acts of God, acts of the public enemy, acts of superior governmental authority, floods, riots, rebellion, sabotage, terrorism, any other reason of Force Majeure (as defined in Section 1.01, above), or any other circumstance for which a Party is not legally responsible or which is not reasonably within its power to control. The affected Party's obligation shall be suspended during the continuance of the inability then claimed, but for no longer period. To the extent possible, the Party shall endeavor to remove or overcome the inability claimed with all reasonable dispatch.
