

Department: Crime Prevention District**Division: Special Revenue****Mission**

The Crime Prevention District facilitates the Coppell Police Department's efforts to maintain a safe community environment. This is accomplished by providing quality programs and services such as our School Resource Officers and Community Services Crime Prevention Officer programs. The district also provides funding for public safety communications, which is done in collaboration with our partner cities through the North Texas Emergency Communications Center (NTECC).

FY2021 Key Goals

Support the CISD and provide education to the younger citizens of Coppell with the School Resource Officer program, youth engagement programs, and various safety education classes, including the self-defense for women course offered to high school senior girls.
Continue to engage our citizens through our perennially award-winning National Night Out program.
