

MEMORANDUM

To: Mayor and City Council

From: Mindi Hurley, Director of Community Development

Date: September 14, 2021

Reference: Dallas County Health and Human Service Contract Update

Introduction:

The purpose of this work session item is to update the Council on the Interlocal Agreement for coordinated Health Services between the City of Coppell and Dallas County Health and Human Services.

Background:

Under this interlocal agreement, Dallas Human and Health Services shall offer our residents the following services: Tuberculosis Control Services; Sexually Transmitted Disease Control Services; Communicable Disease Control Services; and Laboratory Services.

The County also agrees to provide to the City, per state and federal law, the following public health services: immunizations; child health care, high-risk infant case management; and home visits. The County uses “a sliding-scale fee” based on the residents’ ability to pay for these services, and the City pays \$3,131,00 per year, which is the agreed-upon amount for the City’s share of the total cost of the Program less federal and state funding.

Analysis:

This agreement has been in existence for over 25 years, and the City is billed by the County monthly. The billing amount has remained the same for over 15 years.

Legal Review:

N/A

Fiscal Impact:

The fiscal impact of this Agenda item should not exceed \$3,131.00.

Recommendation:

No Council action is required on this item at this time.
