Dear David,

The Organ & Tissue Transplant Policy issued to the above captioned group is approaching its anniversary date, and we are looking forward to renewing it with you.

Attached is the renewal proposal for the group. If there has been a change in the group's administrator, please report it to us immediately, as this may alter or negate the terms of this renewal proposal. Otherwise, please respond to this letter within 15 days prior to the renewal date to allow us to finalize our renewal offer and prepare the Renewal Endorsement in a timely manner.

Your response should include an update regarding those individuals that were subject to a pre-existing waiting period under the Policy. In addition, please identify and provide:

1. Any new potential transplant exposures and related medical information (clinical or case management notes – including type of transplant, date of evaluation, hospital listing and current diagnosis).
2. Any significant census changes (current and/or future).
3. Any change in the group's third party administrator.

Please forward the information requested in Items 1 & 2 (above) to my attention within 45 days prior to the renewal date.

Thank you very much for this opportunity to continue our relationship. Please call me at (800) 447-0460 should you have any questions.
